Continuous Testing

Computer-delivered Tests³

	Scores by Phone	Scores by Web
Multiple-choice Tests Offered Continuously	10 business days after test date	2–3 weeks after test date
Multiple-choice Tests Offered in Testing Windows	10 business days after testing window closes	2–3 weeks after testing window closes
Constructed-response Tests Offered Continuously	15 business days after test date	2–3 weeks after test date
Constructed-response Tests Offered in Testing Windows	15 business days after testing window closes	2–3 weeks after testing window closes

³Some tests are offered continuously, others are offered during specific testing windows. Scores for tests that are administered during a specific testing window will be available as noted above after the testing window closes (regardless of the specific day on which you tested within that window). Scores for tests that contain both multiple-choice and constructed-response questions will be available on the constructed-response score dates.

Note: Occasionally, some scores may be unavailable on the dates specified due to processing delays or data updates.
