## Session 1: **Seven Seas Adventures**

Ages: 5-11

Dates: June 7<sup>th</sup>- 11<sup>th</sup>

Pirates and mermaids and all things salty and swashbuckling! We'll study boats, and sea creatures—real and mythic—and make awesome projects that help you transform into the Ocean Adventurer of your dreams!

## Session 2: **All the Small Things**

Ages: 5-11

Dates: June 14<sup>th</sup>- 18<sup>th</sup>

This week's theme focuses on art projects with subject matter revolving around the small things in our world. We'll explore beginning art practices like painting, carving and drawing. We will work on a mural, fun costumes, and lots of other fun projects involving insects.

## Session 3: **Advanced Projects for Teens**

Ages: 12-18

The 5 projects we will work on throughout the week are laser engraver/cutter, 3D printing, painting & decoupage, carving and life casting. These projects will be weeklong projects taught by an NSU Art Professor and an NSU Alumni, similar to the projects taught in classes at NSU.

All sessions run M-F, 1pm to 5pm. Camp begins each day in Room 205 of the Art department. Drop off is between 12:30-1pm and pick up is between 5-5:30.
